Service Upgrade Notification: New FPS Inward Credit Notification Stay Notified Instantly

We are pleased to introduce our Faster Payment System (FPS) Inward Credit Notification, a new feature of our OCBC Business Mobile Banking Service app, designed to keep you promptly informed whenever you receive funds via your FPS Identifier (FPS ID). This feature ensures that you are always up-to-date with your account activity

BENEFITS

Immediate Updates

Allow you to receive instant notifications the moment when funds credit your account, keeping you constantly informed

Enhanced Convenience

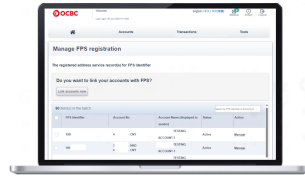

Streamlines your financial management anytime, anywhere without needing to login frequently to check for new payment

Greater Control

Customisation of how to receive these notifications, tailoring the service to fit your business needs

HOW IT WORKS

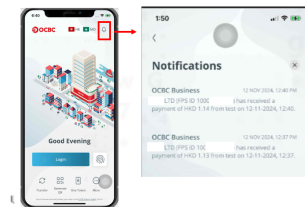

1. Manage FPS Identifier

- . Login to OCBC Velocity
- . Select "Tools"
- . Select "Link/manage FPS"
- . **Register FPS Identifier** : Select "Link accounts now"
- . **Manage your existing FPS Identifier** : Choose the FPS Identifier and click "Manage"

2. Set Up FPS Inward Credit Notification

- . Select the user who will receive the notification under "Send FPS QR Payment Notification to"
- . Click "Next" and approve the request

3. Receiving FPS Inward Credit Notification

Registered users will receive notification whenever a payment is received via FPS ID. To review the credit notification, simply click on the "Bell" icon located at the top right corner of the OCBC Business Banking Mobile Service app's pre-login page.

Additional Feature Highlight: Generate FPS QR Code

Log in our mobile app > Click menu > Click the QR code icon at the top right corner > Select the accounts for receiving payment > Click "Share QR code"

The payer scans the QR code using their payment app and completes the payment. Once the payment is successfully processed, an inward notification will be sent to registered user.
