Wing Hang Bank Sponsored The HK Phil - Wing Hang Bank Community Concert **2014 Itty-Bitty Journey**

Held by HK Phil and local schools' and district choir, The HK Phil - Wing Hang Bank Community Concert 2014 Itty-Bitty Journey sponsored by Wing Hang Bank was successfully completed in late June 2014 at Tuen Mun Town Hall.

Wing Hang Bank started sponsoring this meaningful event this year. The target audience of the event is children; it aims at arousing children's exploration of the places where they grew up through orchestral works and songs by children. In addition, paintings of children were also exhibited in the lobby of Tuen Mun Town Hall, the paintings were about Sai Kung or their favorite childhood games. The concert was a great success.

Apart from cash sponsorship, Wing Hang Bank staff also participated in the event with our volunteers helping to prepare and decorate the venue. Wing Hang Bank and our staff are keen in supporting various charity activities ardently. For example, we sponsor the "V-are-One Program" and participate in "Oxfam Rice Sale". Wing Hang Bank has been awarded "Caring Company" logo from The Hong Kong Council of Social Service for 10 consecutive years and received "Gold Award for Voluntary Services" from Social Welfare Department for 8 consecutive years.
