Important Notices and Risk Warning:

Please note that investment involves risks, including the substantial loss of the principal amount invested. The prices of securities may move up or down, sometimes dramatically, and may even become valueless. Past performance is not indicative to future performance. It is as likely that losses will be incurred rather than profits made as a result of trading in securities. Renminbi-denominated securities have different features and varying degrees of risks.

Customers should not make any investment decision solely based on the information provided in this promotional material. Before making any investment decision, customers should read and consider all the relevant investment product's offering documents and information (including but not limited to the risk factors set out therein) and the Wing Hang Bank (the "Bank") Risk Disclosure Statements to understand the product's features and associated risks. Investment decision is made by customers; Customers should also seriously consider if the relevant investment product is suitable for them by reference to their own financial resources and position, investment objectives, investment experience, expected investment horizon, risk profile, asset concentration and other relevant circumstances before making any investment decision. If necessary, customers should obtain independent professional advice before making any investment decision.

Nothing in this promotional material constitutes an investment advice or offer or an inducement to any person to acquire, purchase or subscribe for any investments or products referred to herein.

This promotional material is provided by the Bank and has not been reviewed by the Securities and Futures Commission or any regulatory authority in Hong Kong.
