Mr Stephen Wong, Head of Retail Banking, OCBC Wing Hang Bank said, “Many parents want to cultivate a habit of saving in their children but may find it a challenge to get them started. The best time for savings education is during the Lunar New Year, when children receive ‘red packet money’. The “My Kid Savings Plan” is an excellent way for parents to introduce the concept of saving to their children.”

“My Kid Savings Plan” comes with a cute and colourful savings passbook which shows the monthly deposit date, deposit amount, date of maturity, interest rate per annum as well as anticipated total savings upon maturity clearly at a glance. It is designed to spark children’s interest in saving and get them started on their savings journey.
