

THIRD PARTY FINTECH PARTNERSHIP

In alignment with Hong Kong Monetary Authority's approach to implement Open Banking (API), OCBC Bank has launched phase 2 of Open API covering applications for banking products and services and phase 3 of Open API covering the disclosure of account information. For more details, please visit <https://youtu.be/igHxqJGRXLl>.

(By clicking the above links, you are now leaving the OCBC Bank (Hong Kong) Limited website and entering a third party site. All the information you provide will be subject to confidentiality and security terms of the applicable third party site. OCBC Bank (Hong Kong) Limited does not take responsibility for information you provide at such third party sites.)

The Bank has not yet authorised any third party service providers ("TSP"s) to process applications for banking products and services in phase 2 and 3 of Open API. Nevertheless, TSPs will be available soon and will be announced in due course. Customers are reminded to refer to the Bank's list of partnering TSPs and their relevant partnering products and services at the Bank's website at all times.

Security Tips

Never reveal your personal information and banking details (including your login credentials, one time password and security code generated by security device) to any unauthorised third-party apps, bogus calls or other similar scams. If customers would like to verify the messages sent by the Bank, please contact the Bank in advance. The Bank's hotline numbers can be found on the Bank's website or at the dedicated webpages of the HKMA and the Hong Kong Association of Banks.

Should you have any enquiry, please call our customer service hotline at (852) 3199 9188.
